Student's Name: \_\_\_\_\_ Email Address: \_\_\_\_\_

Enrolled at: Contra Costa  Diablo Valley  Los Medanos

Anticipated Major at 4 Year College \_\_\_\_\_

The above student is applying for a two year undergraduate Kennedy King Scholarship to enable the student to obtain a Bachelor's degree at a four year institution. A qualification for scholarship consideration is that the student be qualified to transfer with junior status<sup>2</sup> to such institution next fall or the following spring. Consequently, we ask that the student's Community College counselor provide answers to the following questions:

1. Transferable Units<sup>3</sup> Completed \_\_\_\_\_
2. Transferable Unit GPA \_\_\_\_\_
3. Transferable Units Currently Enrolled \_\_\_\_\_
4. If the student successfully completes the currently enrolled units, will the student have completed all required courses and sufficient units to be eligible to transfer with junior standing to pursue the anticipated major specified above this next fall? Yes  No

If the answer to 4 above is yes, nothing further is needed. If not, please answer the following:

Can the student reasonably be expected to complete the remaining required courses and sufficient units in summer school and next fall semester to qualify to transfer at latest next spring with junior status? Yes  No

If the answer is no, the student is advised to apply for the scholarship next year.

If the answer is Yes, please provide an Educational Plan agreed by the student listing course names, numbers & units (\* required courses) yet to be completed showing a reasonable expectation to be able to transfer with junior standing next fall or, at latest, spring, 2011. Reasonably expected to transfer in Fall  Spring
