EXPLANATORY NOTES TO APPLICATION ANSWERS

AUTOBIOGRAPHICAL ESSAY

Provide below a two - three-page autobiography. Assuming you meet the qualifications for a Kennedy King Scholarship (see cover letter to applicants), your application will be evaluated upon the following criteria:

Demonstrated Financial Need, Academic Achievement & Potential, Community Service & Involvement, and Personal Attributes, e.g., Commitment, Character, Determination, Hard Work, Achievements, Hardships Overcome and Life's Goals.

To the extent that you believe your application may not otherwise fully reflect the above, you should address these subjects in your autobiographical essay. You want to answer the fundamental question: Why do you think you should be given a Kennedy King Scholarship?

PUBLICATION SUMMARY

We also need a "Publication Summary" stating in less than 75 words what you would like to say about yourself and your qualifications for publication in the Kennedy King dinner program and for distribution to news media if you are selected for a scholarship. Please do not use the Publication Summary to thank family, friends, teachers and others as such language will be edited out of the summary. We reserve the right to edit the Summary, as we believe appropriate in our absolute discretion. Begin Summary with your Name and Community College.
