Contra Costa Community College District Bid No. 4CD-21 District Wide Custodial Supplies

Questions and Answers

Question and Answer:

1. On the above mentioned bid, it states "the vendor will be responsible for installing appropriate dispensers at their expense, if needed." I see no dispensers on this bid. Do you mean the dispenser for the paper on this bid? Does it not apply to this bid? If it is to the paper on this bid, is the dispenser at no charge as well as installation?

Response: All product dispensers in this bid is the responsibility of the vendor. This includes the cost of the dispensers and any installation.

2. The Georgia Pacific Paper Towels, specifically the first three GP Items on the Custodial Supplies Bid. My question is, are you looking for white or Kraft?

Response: White

3. Dispenser Installation: I don't see any dispensers on the bid.

Response: Please see DISPENSER INSTALLATION on page 3 of the bid and Question and Response #1 above.

4. Is there any chance that I can have a recap of last year's bid with these items listed on it so I can prepare your bid as adequately as possible before your deadline of the 20th?

Response: We believe 2005 was the last time a custodial supplies bid was done by this District. However, we no longer have those files as it is more than 3 years old.

Indicate on your bid that you received this Q & A .

All other facts and specifications to this bid remain unchanged.

Dave Wetmore
Interim Director of Purchasing
